

# TIME TO FIGHT FOR OUR MONEY

## BECAUSE SO FAR HOGAN'S RESPONSE TO THE STAFFING CRISIS IS **A PAY CUT**

In the last month, Governor Hogan has cut \$65 million in funding for raises for state employees from the budget. We need to come together during the Legislative Session to work with our allies in the Legislature to fence off the money for this 3% COLA and then urge Governor Hogan to spend it before July.

***Contact your legislator today and ask them to support state workers and fence off \$65 million in funding for critical raises to recruit and retain state workers!***

### Bills to Get More Money

1. **Forensic Pay Parity Bill:**  
Creating pay parity and safer working conditions in state hospitals
2. **Excessive Overtime Bill:**  
Provide double pay for overtime worked in excess of twenty hours a pay period.
3. **Fight for a Step for FY2021**
