PREAMBLE

This Memorandum of Understanding (MOU) is entered into by the University of Maryland Eastern Shore (Employer or University) and the American Federation of State, County, and Municipal Employees (Union or AFSCME). It is understood that the Board of Regents of the University System of Maryland (USM) must approve this MOU and that agreements on issues requiring funding or approval by the General Assembly of Maryland are tentative pending approval and funding by the General Assembly of Maryland. The provisions of this MOU shall in no way diminish or infringe any rights, responsibilities, powers or duties conferred by the Constitution of the State of Maryland, or the Annotated Code of Maryland, including State Personnel and Pensions Article (SPP), Title 3, Annotated Code of Maryland. In the event of an inconsistency between this MOU and the law, the law shall prevail.

ARTICLE 1 - RECOGNITION

Section 1. Exclusive Representative

The University recognizes the Union as the exclusive representative of the employees, as defined in Section 2 of this Article, for the purpose of negotiating collectively with the University pursuant to SPP, Title 3, with respect to wages, hours, and other terms and conditions of employment. For employees covered by this MOU, the University will not negotiate with any other union or employee organization on matters recognized by the State Higher Education Labor Relations Board as required subjects of bargaining.

Section 2. Definition of Bargaining Unit

The term "employees", "bargaining unit employees" and "employees covered by this MOU" as used in this MOU shall mean all eligible sworn police officers employed by the University in the following job classifications: University Police Officer I, University Police Officer II, exclusive of managerial, supervisory and confidential employees as certified by the SHELRB.

Section 3. New or Changed Job Classifications

Should any new University Police Officer job classification(s) be created, the Employer shall notify the Union at least thirty (30) days prior to the intended date of implementation. If it is believed that the bargaining unit status of a classification has changed, the University or the Union, whichever is proposing the change, shall notify the other. In either event (i.e., new classification(s) or change in status), if the parties are in disagreement over whether or not the classification(s) at issue should be included in the unit and covered by this MOU, they will meet and attempt to resolve the matter. Where they are unable to resolve the matter, either party may elect to pursue the matter in a timely fashion before the SHELRB. The decision of SHELRB shall be final and binding on both parties subject to any appeal rights provided by law.

ARTICLE 2 – NON-DISCRIMINATION

It is the policy of the parties to prohibit discrimination in employment against any employee because of race, age, color, religion, creed, gender, sexual orientation, country of national origin, disability, marital status, veteran status, labor organization affiliation or lack of affiliation, and to promote and implement a positive and continuing program of equal employment opportunity.

ARTICLE 3 – MANAGEMENT RIGHTS

Section 1. Scope of Rights

The Employer retains the sole and exclusive authority for the management of its operations and may exercise all rights, powers, duties, authority and responsibilities conferred upon and invested to it by all laws including, but not limited to, Title 3, SPP. It is agreed by the parties that any section of this MOU that conflicts with current law, in particular Title 3, SPP, can be changed by the Employer after providing the Union with an opportunity to bargain over the proposed change. It is understood and agreed by the parties that the Employer possesses all other rights, powers, duties, authority and responsibilities to operate and manage all aspects of its operations including but not limited to its departments, agencies and programs and carry out constitutional, statutory and administrative policy mandates and goals, including but not limited to the right to:

1. Determine the mission, budget, organization, numbers, types and grades of employees assigned, the work projects, tours of duty, methods, means and personnel by which its operations are to be conducted, technology needed, internal security practices, relocation of its facilities;
2. Maintain and improve the efficiency and effectiveness of operations;
3. Determine the services to be rendered, operation to be performed, and technology to be utilized;
4. Determine the overall methods, processes, means and classes of work or personnel by which governmental operations are to be conducted;
5. Hire, direct, supervise, and assign employees;
6. Promote, demote, discipline, discharge, retain, and layoff employees;
7. Terminate employment because of lack of funds, lack of work, under conditions where the employer determines continued work would be inefficient or nonproductive, or for other legitimate reasons;
8. Set the qualifications of employees for appointment and promotion, and set standards of conduct;
9. Promulgate and/or implement State, USM, University or department rules, regulations, policies or procedures;
10. Provide a system of merit employment according to the standard of business efficiency; and
11. Take actions, not otherwise specified in this Article necessary to carry out the mission of the Employer.

ARTICLE 4 - UNION RIGHTS

Section 1. Right of Access

Union representatives shall have reasonable access to areas in which employees work with prior notice and approval by the Employer for the purpose of administration of this MOU. It is understood that such representatives will not disturb the work of employees while visiting the Employer's facilities. Approval for access described in this section will not be unreasonably denied.

Section 2. Representation Rights

Upon request, a bargaining unit employee may have union representation in the processing of a complaint, as provided in Article 17, or in a disciplinary matter as provided in Article 16.

Section 3. Means of Communication

The Union shall be permitted to use internal University mail systems, including computer/electronic mail/fax, or mailings to the employees covered by this MOU, provided that such use does not interfere with the Employer's operations and is for legitimate Union business purposes. If the Employer can illustrate that the Union is not using equipment or services in a manner consistent with this Section, the Employer shall notify the Union and provide the specific usage(s) it finds in violation of this Section. A meeting between the Employer and the Union shall take place within two (2) business days in which the parties shall attempt to resolve the matter. If no agreement is reached, the Employer may revoke the Union's use of the equipment and services. The Union may submit to the Grievance Procedure outlined in this MOU the issue of whether the Employer's revocation is in compliance with this Article. Confidentiality shall be maintained subject to the Employer's security needs. Mass mailings through the Employer's mail processing department, shall be limited to six (6) per calendar year.

Section 4. Bulletin Boards

The Employer shall provide space for a lockable bulletin board, provided by the Union, at the Physical Plant, Frederick Douglass Library, Richard A. Henson Building, Office of Residence Life Maintenance Building, J. T. Williams Administration Building, and the Student Services Center. These bulletin boards shall be for the exclusive use of the Union. The Union shall be responsible for the posting of all items on the bulletin board. The Employer shall designate reasonable conspicuous space in work or break areas for the placement of the bulletin boards, and the bulletin boards must be consistent with the interior design and furnishings of the particular building. Each item posted shall be dated and initialed by the Union official approving the posting. The Union shall ensure that posted items are not illegal, defamatory, factually inaccurate, partisan, or political and that no item is detrimental to the safety and security of the University. At the time of posting, the Union shall provide an informational copy of all items to the Employer (Human Resources Director).

Section 5. Right to Information

The University shall provide the Union with the following information three (3) times yearly on January 1st, July 1st, and October 1st, a listing of all bargaining unit employees. The report shall include the name, job title, assigned salary, department, office/work location, work email, if

available, and work phone number. The report shall be submitted both electronically, preferably in Excel format, and paper format. The University shall also provide to the Union a list of all new hires in the preceding months, a list of all employees who retired, resigned or otherwise separated from the University in the preceding half year and a list of all contingent employees due for conversion within 6 months. The University shall assign a unique identification number for all bargaining unit employees. All lists submitted to the Union shall include said unique identifier for each employee listed.

Upon request by the Union, the Employer will also provide, in accordance with the Maryland Public Information Act, any other relevant and necessary information that the Union is entitled to as the exclusive representative of bargaining unit employees.

Section 6. New Employee Orientation

One Local union officer or job steward, shall be granted twenty (20) minutes during the new employee orientation sessions organized by the Employer to meet with new bargaining unit employees and to make a presentation on behalf of the Union. In the event the Employer does not provide for an employee orientation, a Local 1833 union officer or job steward and the new bargaining unit employee will be allowed twenty (20) minutes, with notification to and approval of their respective supervisors, without loss of compensation, to meet during work time to discuss information pertaining to the role of the Union. The Union Officer or job steward will coordinate the twenty (20) minute information meeting through the Human Resources Director or designee. The Human Resources Director will arrange the meeting within a reasonable time.

Section 7. Union Job Stewards

The Union may appoint or elect certain bargaining unit employees to serve as union job stewards. There will be a total of six (6) job stewards representing employees covered by this MOU. Consistent with operational needs, the Employer will allow reasonable release time as defined in Article 19 of this MOU, without loss of compensation, to job stewards for the purpose of presenting grievances to the Employer on behalf of an employee. Typically, a grievance will have no more than one union representative (President or job steward) in attendance at a grievance hearing. Exceptions may be granted by mutual agreement of the parties. This limitation does not apply to non-university employee staff representatives. The Union will submit a list of job stewards to the employer within ninety (90) days after the ratification of this MOU, and thereafter will notify the Employer in writing as to any changes to the job stewards' list. No employee may serve or act as a job steward until officially designated by the Union.

Section 8. Meeting Space

The Employer agrees to provide, at no cost to the Union, meeting space to conduct six union related meetings per year provided that the Union submits a written request for the use of facilities a minimum of two weeks in advance of the date of the meeting and complies with University reservation procedures. The University will respond to a written request within three (3) business days. When a request for use of meeting space is denied, the Employer will state the reasons for the denial in writing. The Employer shall not discriminate against the Union or its members when assessing the feasibility of providing meeting space for Union business, nor shall the Employer unreasonably deny a request.

Section 9. Union Office on Campus

The Employer agrees to provide the Union a designated office on campus for use for Union business. The designated office shall be secured and furnished with a telephone extension, and appropriately wired and activated for a desktop computer. The Union will be responsible for furnishing the office and providing the necessary equipment. The Employer and the Union shall consult as to the specific location of the Union office. The Office will be made available within 60 days following the date of ratification by the USM Board of Regents.

Since the union for all bargaining units is the same, there will be one office for all covered units – Exempt, Non-exempt, and Sworn Police Officers.

ARTICLE 5 – EMPLOYEE RIGHTS

Section 1. In General

In addition to all rights granted under this MOU, all employees in the bargaining unit shall enjoy the protections and rights codified in Section 3-301, Title 3, of the State Personnel and Pensions Article, Annotated Code of Maryland.

ARTICLE 6 – WORKING RELATIONS

Section 1. Professional Working Relations

The University and the Union agree that all employees, regardless of bargaining unit or union membership standing, shall treat each other with dignity and respect during the course of performing their professional duties for the University.

Section 2. No Verbal Abuse or Overzealous Supervision

The University and the Union agree that supervisory employees must demonstrate exemplary conduct. Such conduct includes, but is not limited to restraining from verbal or physical attacks on employees, threatening employees, and humiliation or harassment in any form prohibited by law. We also expect employees to maintain the same rules of professionalism.

ARTICLE 7 -- SCOPE OF AGREEMENT

The specific provisions of this MOU supersede the corresponding specific terms of the previously established policies and procedures maintained by the University at the time this MOU is ratified. This MOU may be modified only by the written agreement of the University and the Union. All Board of Regents (BOR) and University policies and procedures shall remain in full force and effect unless modified specifically by this MOU or as provided below.

The University and the Union acknowledge and agree that during the negotiations that resulted in this MOU, each had the unlimited right and opportunity to make demands and proposals with respect to any subject of bargaining as provided in SPP, Title 3, and applicable SHELRB regulations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this MOU. The University and the Union agree that for the term of this MOU, each waives the right to bargain collectively, and neither shall be obligated to bargain collectively with respect to: 1) any subject specifically referred to in this MOU unless such bargaining is initiated by the University pursuant to this MOU's savings clause or because of an emergency condition or legislative mandate; 2) subjects on which the Union made, or could have made, proposals during bargaining, but about which no agreement was reached, so long as the Union was aware or reasonably should have been aware of the subject during the bargaining process; and, 3) subjects on which the University made specific proposals but about which no agreement was reached, unless any such subject is raised by the University pursuant to this MOU's savings clause or because of a legislative mandate or emergency condition. The parties further agree and intend that the waiver set forth in the sentence above ("Waiver") shall be construed as consistent with the provisions of the Preamble to this MOU and enforceable.

Except as provided in the Waiver, the University and the Union acknowledge their mutual obligation to negotiate as defined and limited by law and this MOU over University proposed changes in wages, hours and other terms and conditions of employment which affect bargaining unit employees and which are not reserved to the University as a management right or otherwise allowed by this MOU. In such circumstances, the obligation to bargain is limited to those changes that will affect the wages, hours and other terms and conditions of employment of bargaining unit employees and that are subject to bargaining under applicable law.

The University must provide thirty (30) calendar days notice prior to the implementation of any such proposed change in wages, hours and other terms and conditions of employment, to the Union, provided however, that if the proposed change is to meet a legislative mandate or an emergency situation (including an emergency fiscal management issue) the University may provide the Union with less than thirty (30) days notice but such shorter notice must be as soon as reasonably possible prior to the implementation of the proposed change. In such circumstance the notification must indicate the legislative mandate or emergency situation as well as any known timeframes in conjunction with the mandate or emergency.

In circumstances where the proposed change is not required because of an emergency situation or legislative mandate and the thirty (30) days notice is given, the Union, within ten (10) days of receipt of the University's notice, may request bargaining in connection with the proposed change by notifying the University in writing and may also submit a written request to the University for information which is relevant and necessary to the proposed change. Where the Union does not request bargaining during the ten (10) day period, the University is free to implement the change immediately. Where the Union does request bargaining but does not request information, the Union shall submit its written proposals in response to the University's proposed change(s) within ten (10) days of the University's notice of proposed change, and the parties will meet promptly to discuss the change(s) and any proposals submitted by the Union. This ten (10) day time limit may be extended by written agreement of the parties.

In the event the Union requests information relevant and necessary to the proposed change(s), any such information request must be submitted to the University within ten (10) days of receipt of the University's notice, and the Union must submit its written bargaining proposals to the University within five (5) days of the Union's receipt of the University's good faith response to the Union's information request. The Union agrees that it will tailor its information request so as not to delay the bargaining process.

In circumstances where the proposed change is required to meet a legislative mandate or an emergency situation, and the proposed change implementation date is less than thirty (30) days, the University may provide the Union with less than thirty (30) days notice, and the Union may request bargaining within a proportionate amount of time (request for bargaining is to ten (10) days as shorter University notice is to thirty (30) days). The Union must also submit to the University its written proposals within this proportionate time period (where shorter notice is given) or the ten (10) day period, whichever is applicable. Where the Union does not request bargaining, the University is free to implement the change. When the Union does request bargain and submits its proposals within the required timeframe, the parties will meet promptly. The Union may also request information relevant and necessary to the proposed change. The Union will tailor its information request so as not to delay the bargaining process. The University will provide its good faith response to the Union's information request as soon as reasonably possible.

The Union's ability to negotiate under this Article does not provide the Union with a "veto" power over the University's proposed changes, and it shall not delay the implementation of such changes. The University may implement the proposed changes that are subject to this bargaining process as scheduled even if after good faith negotiations there has not been mutual agreement.

Where bargaining is requested by the Union over changes necessary to meet a legislative mandate or emergency condition, the parties will negotiate in good faith, and the University may implement any changes necessary to meet the legislative mandate or emergency condition, including any applicable timeframes, regardless of whether an agreement has been reached. The parties understand and agree the University's implementation of the proposed change(s) within the time frame identified to meet the emergency condition or legislative mandate is paramount. Failure of the Union to submit a timely information request, or failure of the University despite good faith efforts to respond to any such request, or the failure of the parties to complete bargaining shall not be deemed as a failure to discharge any obligations under the law or this MOU, and the University may implement any proposed change within the identified time frame.

This Article is also subject to Article 32 Severability.

ARTICLE 8 – HOURS OF WORK AND OVERTIME

Section 1. Regular Workday

The regular workday shall be designated by the Chief or his/her designee which will include 10 consecutive work hours inclusive of roll call and lunch. It is understood that sworn police officers may take break periods, however, they may be interrupted dependent upon the operational needs of the Department.

Section 2. Regular Work Period

The regular work period shall consist of rotating shifts during the 12:00 midnight Sunday through 12:00 midnight the following Saturday pay period. The shifts shall run as follows:

Day Shift: 8:00 a.m. – 6:00 p.m.

Late Shift 5:00 p.m. – 3:00 a.m.

Night Shift 10:00 p.m. – 8:00 a.m.

The temporary or permanent structure of the shifts may be changed at the discretion of the Chief with two weeks' notice to affected Officers. The Union will be given notice of the change and an opportunity to bargain regarding the effects of the change. At an employee's request, temporary schedule changes may be approved by the Chief or his/her designee.

Section 3. Hours Worked

Nothing in the Agreement shall be construed as a guarantee by the University of hours to be worked per day, per week, or per year. The University pay records, practices and procedures shall govern the payment of all wages.

Section 4. Work Schedule Changes

Work schedules (scheduled shifts and/or workdays) may be changed by the University from time to time in its discretion as deemed necessary to meet the operational needs of the University. The University shall provide affected employees with at least fourteen (14) calendar days' advance notice of any planned permanent change in an employee's work schedule. In recognition of their status as "essential personnel," the University may make temporary changes to the regular work schedules of sworn police officers as deemed necessary in the discretion of the Chief of Police.

Section 5. Copy of Job Description

The Employer retains the right to change an employee's job-related duties. Upon initial employment and upon each significant change in the employee's duties and/or job classification thereafter, the affected employee shall be furnished a copy of his/her revised job description.

Section 6. Overtime.

The amount of overtime and the selection of employees to perform such work shall be determined by the University, provided however that such overtime work shall be distributed as equally as possible among all the employees within the specific job classification and department/office deemed capable of performing the needed overtime work by the University when the need for overtime work is determined by the University to exist more than forty-eight (48) hours prior to its commencement.

Section 7. Distribution of Overtime.

The Employer will make reasonable efforts to distribute overtime opportunities as equally as possible among all qualified employees within a specific job classification in their respective department/office on a semi-annual calendar year basis. Refusal of overtime work will be taken into account for overtime distribution purposes. Management will maintain a list containing the name and the number of hours of overtime offered, worked, and refused for each employee in

his/her department/office. The Employer may assign mandatory overtime work without regard to the foregoing to meet operational needs.

Section 8. Overtime Pay

For all hours actually worked in excess of 40 hours in a work week, an employee shall be paid one and one-half (1.5) times his/her regular straight-time rate of pay for that work period. All hours associated with paid leave (except paid Administrative Leave) shall be considered as hours worked for the purposes of computing overtime. A limited amount of compensatory time may be allowed at the request of the officer and upon approval by the Chief or his/her designee.

Section 9. Payment for Overtime Worked

All timely submitted hours worked under the overtime provisions of this contract shall be paid on the next regularly scheduled pay-day provided that such hours of overtime took place before the payroll reporting deadlines in effect at that time.

Section 10. Advance Notice

The Employer shall normally provide notice of required scheduled overtime work at least twenty-four hours in advance of such overtime. Notice of emergency or unscheduled overtime work will be given as soon as reasonably possible. Refusal of scheduled overtime work by employees on the basis that management did not provide advance notice within the time limits (24 hours) shall not be charged against those employees as an overtime opportunity refused. The Employer retains the right under any circumstances to require the least senior qualified employees to perform the overtime work.

Section 11. Pre-Arranged Duty Assignment Pay

An Officer summoned to court, a hearing or a staff meeting in connection with his/her official duties on his/her off-duty time will be compensated at the regular straight rate of pay for time spent at this pre-arranged duty for a minimum of three (3) hours. An officer required to appear during the morning session and afternoon session for the same case or a different case in the same day shall receive only one (1) minimum payment of three (3) hours under this section. This may cause an Officer to be paid overtime if the total work hours for the week exceed 40 hours for the week.

Section 12. On-Campus Emergency (Off Duty Personnel)

In the event of an on-campus emergency requiring the response of off-duty employees, those employees will be compensated at one and one-half (1 1/2) time his/her regular straight time of pay for a minimum of four (4) hours, inclusive of travel time.

Section 13. Training Time

An Officer attending an off campus training session on his/her off-duty time will be compensated at the regular straight rate of pay as well as reasonable travel to and from the training site not to exceed eight (8) hours per day with approval of the Chief of Police or his/her designee. This may cause an Officer to be paid overtime if the total work hours for the week exceed 40 hours for the week.

Section 14. On Call

A. Employees may be placed in an on-call status at the direction of the University. The following guidelines apply:

1. An employee assigned to on-call status is eligible to receive compensation in the amount of twenty-four dollars (\$24) per day, plus appropriate wages for all hours worked. On-call pay shall be included in the computation for overtime wages.
2. The employee must be accessible at all times and must immediately notify his/her supervisor if inaccessible. If inaccessible, on-call pay will be forfeited.

The University may, at its discretion, require an employee(s) to report to work in "call-back" capacity. Employees who are required to return to work on a regularly scheduled on-duty day after going off-duty, or are required to work on a regularly scheduled off-duty day are eligible for call-back compensation, a guaranteed minimum of two (2) hours of pay at the applicable rate of pay even if the time spent on duty is less than two hours. This circumstance does not apply to the employee who may be working overtime as a continuation of the employee's normal hourly schedule. Normally, travel between home and work is not work time. Additionally, such hours spent in travel shall be considered as hours worked and count toward the accumulation of overtime hours. Travel time counts toward the two-hour minimum call-back time. An employee who is called back during a qualifying shift will receive a pro-rata shift differential.

ARTICLE 17 – SICK LEAVE

Section 1. Purpose and Applicability

This Article governs the accrual and use of sick leave for all employees covered by this MOU. When a provision of this Article provides an employee with the eligibility to use sick leave that is also covered by the Family and Medical Leave Act (FMLA), the sick leave and the leave under the FMLA run concurrently. Also, employees must use their accrued sick leave in accordance with the specific provisions of this Article and exhaust all accrued annual leave and personal leave prior to using unpaid FMLA leave.

Section 2. General

- A. Sick leave is paid leave granted to employees in an effort to provide some protection against the loss of earnings due to absences for health reasons.
- B. A full-time employee shall earn sick leave at the rate of fifteen (15) workdays per year. Employees who are appointed at least 50% time shall earn sick leave on a pro

rata basis. Sick leave is accumulated and carried forward from year to year without limit.

- C. An employee may request that his/her illness, injury, or disability occurring during a period of annual or personal leave be charged to sick leave. Verification of such illness, injury, or disability may be required by the Office of Human Resources as provided in Section 4 of this Article.
- D. An employee may use on a continuous basis, subject to the terms and conditions of this MOU dealing with such leaves, earned leave (sick, annual and personal leave), advanced sick leave, extended sick leave, leave granted through the leave reserve fund, or unpaid family medical leave, as needed for personal illness and for parental leave, consistent with Article 16, Section 13 [Parental Leave].
- E. Earned sick leave is granted by the Department Head or designee (normally the immediate supervisor) pursuant to the terms and conditions of this Article when an employee is absent because of:

 - 2. A pre-scheduled medical appointment, examination, or treatment for the employee with an accredited, licensed or certified medical provider listed in Section 4 F. of this Article that cannot be scheduled during non-work hours. Employees will provide three (3) working days' advance notice if possible, but in no event less than one day's advance notice. Employees shall make every effort to schedule the appointment either at the beginning or the end of the scheduled workday in order to reduce time away from work. However, the University shall not unreasonably deny medical appointments when the time available overlaps with the employee's regular work hours.
 - 3. Illness or injury in the employee's immediate family and medical appointments, examinations or treatments for the immediate family member with an accredited, licensed or certified medical provider listed in Section 4.F. of this Article that cannot be scheduled during non-work hours.
 - a). Immediate family as used in this section means a spouse, child, step-child, foster child, grandchild, mother, father, mother-in-law, father-in-law, brother, sister, grandparent, or legal dependent of the employee irrespective of residence. Use of sick leave may also be granted to care for any other relative who permanently resides in the employee's household for whom the employee has an obligation to provide care. The Office of Human Resources may require an employee to provide certification by a medical provider listed in Section 4.F. of this Article to demonstrate this obligation or to authenticate the need for the employee to care for the ill family member. Certification from a medical provider does not need to

include information about the specific illness or health condition of the family member or relative.

b). Sick leave, to the extent it is accrued and available, shall be granted by the Office of Human Resources pursuant to the terms and conditions of this Article.

4. Death of a relative.

- a) For the death of a close relative, the Department Head or designee (normally the immediate supervisor) may grant the use of up to five (5) days of accrued leave. If the death of a close relative requires an employee to travel requiring staying away from home overnight, upon request the Department Head or designee (normally the immediate supervisor) may grant the use of up to a maximum of seven (7) days of accrued leave for this purpose.
- b) Close relative as used in this Section means a spouse, child, step-child, foster child, mother, father (or someone who took the place of a parent), mother-in-law, father-in-law, grandparent of the employee or spouse, grandchild, son-in-law, daughter-in-law, brother, sister, brother-in-law, sister-in-law, or other relative who permanently resided in the employee's household.
- c) The Department Head or designee (normally the immediate supervisor) or designee may grant the use of up to a maximum of one (1) day of sick leave for reasons related to the death of the employee's or his/her spouse's aunt, uncle, niece, or nephew.

5. Integration of Sick Leave and Family and Medical Leave

When an employee requests and is granted leave for reasons defined as "qualifying events" under the Family and Medical Leave Act (FMLA), the employee may use accrued sick leave, to the extent it is available, for any portion of that leave pursuant to the provisions of this MOU on FMLA. In all instances where leave is granted pursuant to the FMLA, employees must exhaust all accrued paid leave, including sick, personal, and annual, prior to moving to unpaid Family and Medical Leave. Advanced sick leave shall only be granted for the illness of the employee. Leaves under FMLA will not be considered when determining if any employee has a satisfactory attendance record.

6. Pregnancy, childbirth and adoption.

Pregnancy, childbirth and adoption are considered "qualifying events" under the FMLA and as such are governed by Section 5 above. Accrued sick leave

may be used to care for a child following childbirth or adoption, subject to the provisions of Article 16, Section 13 [Parental Leave].

Section 3. Directed Use of Sick Leave/Medical Examinations

- A. The Office of Human Resources, in accordance with the provisions of this MOU dealing with Family and Medical Leave, may direct an employee to use accrued sick leave if it believes that an employee is unable to perform the essential responsibilities of his/her position due to illness, injury or disability.

- B. While either in active work status or on any type of employee-related sick leave, an employee may be required to undergo a medical examination(s) and evaluation(s), and may be required to provide verification of fitness for duty, as directed by the Office of Human Resources to ascertain whether the employee is able to regularly and routinely perform the responsibilities of his/her position. Such determination will be made in writing by a certified medical provider as defined in Section 4. F. of this Article, with copies provided to the Office of Human Resources and to the employee.
 - 1. If the examination is conducted by a certified medical provider selected by the USM Institution, the Institution shall bear the costs of such medical examination. The employee may, however, see his/her own physician at the employee's own cost.

 - 2. If the examination(s) reveal(s) that an employee is unable to regularly and routinely perform the responsibilities of his/her position, action may be taken by the Office of Human Resources in accordance with policies on voluntary separation, termination, reasonable accommodation, modified duty or disability retirement, if applicable.

 - 3. In cases where there is a conflict between the evaluation, prognosis, diagnosis or recommendation of the employee's personal health care provider and the certified medical provider selected by the USM Institution, the President or designee may choose which health care provider's report to follow or may require subsequent medical examinations and evaluations in deciding what steps should be taken regarding the employee's sick leave status or continued employment. If subsequent medical examinations and evaluations are required, the employee's medical provider and the University's medical provider shall by agreement select the third medical provider who will render an opinion. In the event they are unable to reach agreement on a third medical provider, the third provider will be selected by the University. In selecting the third provider, the University shall not select a provider that has been under contract, or that at the present time is under contract with the University. The decision of the President or designee regarding the employee's fitness for duty will take into account the medical opinions rendered. The decision of the President or designee is final. The expense of obtaining the third medical provider's opinion will be borne by the University.

Section 4. Verification of Absences Charged to Sick Leave

A. In order to verify that the employee's use of sick leave is in accordance with this Section, to assure medical attention for an employee or to prevent the abuse of sick leave usage, the University may require an employee to submit verification of the reason for the use of accrued sick leave, advanced or extended sick leave.

B. Verification of Illness for Absences of Five (5) or More Consecutive Days

The University may require an employee to provide an original certificate of illness or disability in cases where an absence is for five (5) or more consecutive workdays. The certificate required by this Section shall be signed by a certified medical provider as defined in Section 4.F. below.

C. Verification of Illness for Absences of Less than Five (5) Consecutive Days

The University may require an employee to submit an original certificate of illness or disability for absences of less than five (5) consecutive days on the following conditions:

1. Where an employee has a consistent pattern within a twelve-month period of maintaining a zero or near zero sick leave balance without documentation of the need for such relatively high utilization.
2. Where an employee has unusual absence patterns such as Monday/Friday, or the day before and/or the day after a holiday.
3. Where an employee has five (5) or more occurrences of undocumented sick leave usage within a twelve (12) month period.
4. Where an employee has three (3) or more occurrences of undocumented sick leave usage of two (2) or more consecutive days in a twelve month period.

D. Procedures for Certification Requirement

Prior to imposing a requirement on an employee for documentation of sick leave use, under Section C above, the University shall orally counsel the employee that future undocumented absences may trigger a requirement for certification of future occurrences of sick leave. If the employee has another undocumented absence after such counseling, the University may, subject to the concurrence of the Office of Human Resources, then put the employee on written notice that he/she must certify all sick leave usage for the next six (6) months if the undocumented absence accumulated in accordance with this Section 4. At the conclusion of the six (6) months, the certification requirement will be rescinded provided the employee has complied with the certification requirement and is in compliance with this Article. If the employee has not complied with the certification requirement

and is not in compliance with this Article, the requirement shall be extended for six (6) months from the date of the lack of compliance with the requirement. Although a requirement for certification is not a disciplinary action, an employee may grieve allegations of misapplications of this procedure. Failure of the employee to provide certification as described in this Section may subject the employee to disciplinary action.

- E. Verification may include but may not be limited to:
 - 1. A written statement from the medical provider (as listed in Section 4.F. of this Article) indicating that the employee is required to be absent from work due to illness;
 - 2. The duration of absence from work;
 - 3. Prognosis of employee's ability to return to work;
 - 4. Title and original signature of an accredited, licensed or certified medical provider; and
 - 5. Documentation of the birth or adoption of a child, if sick leave is requested under Article 16, Section 13 [Parental Leave], and
 - 6. Any other information necessary to verify that the employee's use of sick leave is in accordance with this Article. Such information does not need to include information about the specific illness or health condition of the employee.

- F. Medical verification as outlined in this Article may be obtained from an accredited Christian Sciences practitioner, or from the appropriate of any of the following licensed or certified medical providers:
 - 1. Physician;
 - 2. Physical Therapist;
 - 3. Clinical Psychologist;
 - 4. Dentist;
 - 5. Oral Surgeon;
 - 6. Chiropractor;
 - 7. Podiatrist;
 - 8. Certified Nurse Practitioner;
 - 9. Certified Nurse-Midwife; or
 - 10. Licensed Certified Social Worker-Clinical

Section 5. Advanced Sick Leave for the Employee's Own Illness

- A. An employee who sustains a temporary, recoverable illness, injury or serious disability, or is eligible for parental leave may request advance use of sick leave subject to the following two conditions:

The employee shall:

1. have exhausted all other types of accrued leave; and
 2. have performed at a "meets standards" or better level of performance and have not been placed on a sick leave certification requirement as provided in Section 4 or been disciplined for a sick leave related offense during the past 12 months.
- B. Advanced sick leave is not an entitlement. The granting of requests for advanced sick leave is at the discretion of the Office of Human Resources.
- C. Advanced sick leave shall not be granted in instances where the illness or injury or disability occurred on the job, and the employee has been granted accident leave or temporary total disability benefits by the Workers' Compensation Commission.
- D. Written requests for advanced sick leave shall be submitted to the Office of Human Resources and shall be supported by written verification by an accredited, licensed, or certified medical provider or appropriate documentation of the birth or adoption of a child, if the employee is requesting parental leave, as outlined in Sections 4.A. and 4.F. of this Article.
- E. Sick leave may be advanced at the rate of fifteen (15) working days per year of service to a maximum of sixty (60) working days in any one calendar year, provided, however, that during the first six (6) months of service, the amount of advanced sick leave that can be authorized will be prorated based upon the employee's length of service at the time it is requested.
- F. The use of advanced sick leave constitutes a debt for which payment shall be enforceable upon the employee's return to work or upon the employee's separation from employment, whichever is earlier. Upon return to work the minimum rate of payback for advanced sick leave shall be at one-half the rate that sick leave and annual leave is earned. An employee may elect to pay back advanced sick leave by applying any earned leave or by reimbursing the USM with cash.
- G. Annual, sick and holiday leave earned, and personal leave credited while on advanced sick leave shall be applied as earned/credited.
- H. Additional requests for advanced sick leave will not be granted until all previously granted advanced sick leave has been repaid. The only exception to this provision is

in cases where the maximum amount of advanced sick leave had not been requested originally and additional advanced sick leave, consecutive to that already granted, is needed to cover the employee's continued absence arising from the original illness, injury or disability.

- I. The Office of Human Resources may refer an employee who is on advanced sick leave as follows:
 1. The employee may be referred to a USM Institution-named certified medical provider paid for by the Institution for periodic examinations to determine the nature and extent of the illness, the employee's progress toward recovery, the length of time necessary for recovery, and an estimated date of return to work.
 2. If there is a conflict between the employee's physician and the USM Institution-named physician, the provisions of Section 3.B.3. shall apply.

Section 6. Extended Sick Leave for the Employee's Own Illness

- A. An employee who sustains a temporary, recoverable illness, injury or serious disability may request extended sick leave, subject to the three following conditions:

The employee shall:

1. have been in USM and/or State service for at least five (5) years;
 2. have exhausted all types of accrued leave and advanced sick leave; and
 3. has performed at a "meets standards" or better level of performance and has not been placed on a sick leave certification requirement as provided in Section 4 or been disciplined for a sick leave related offense during the past twelve (12) months.
- B. Extended sick leave is not an entitlement. The granting of requests for extended sick leave shall be at the discretion of the Office of Human Resources.
 - C. The maximum cumulative total of extended sick leave available to an employee in USM or State service is twelve (12) work months (fifty-two (52) work weeks).
 - D. Annual, sick and holiday leave earned, and personal leave credited while on extended sick leave shall be applied as earned/credited.
 - E. Written requests for extended leave shall be submitted to the Office of Human Resources and shall be supported by written verification by an accredited, licensed or certified medical provider as outlined in Sections 4. A. and 4.F. of this Article.
 - F. The Office of Human Resources may refer an employee who is on extended sick leave as follows:
 1. The employee may be referred to a USM institution-named certified medical provider paid for by the Institution for periodic examinations to determine the

nature and extent of the illness, the employee's progress toward recovery, the length of time necessary for recovery, and an estimated date of return to work.

2. If there is a conflict between the employee's physician and the Institution-named physician, the provisions of Section 3.B.3. shall apply.

ARTICLE 18 – UNION LEAVE

- A. AFSCME MD may request that bargaining unit employees be released from their normal duties for the purpose of participating in approved union activities.
- B. The total amount of union leave granted at any Institution during a fiscal year may not exceed one day for every twenty-five (25) of its bargaining unit employees of that Institution as of July 1 of the current fiscal year, provided that a minimum of eight (8) days union leave will be granted by the University each fiscal year covered by this MOU. No employee outside of the bargaining unit will be counted in the leave calculation under this Article.
- C. All requests for union leave shall be submitted to the institution Director of Human Resources/Personnel in writing by Council 92 fifteen (15) working days in advance of the day on which the leave is to begin and shall include:
 1. A general description of the activity and its purpose;
 2. The date and location of the activity;
 3. The name(s) of the employee(s) for whom union leave is being requested.

Where the leave request is for eight (8) hours or less, the minimum notice required is seven (7) working days.

- D. After verifying the validity of the request with a staff union representative and the accuracy of the time being requested, the Institution Director of Human Resources/Personnel may approve union leave if the employee's services can be spared without impairing the services of the department(s) involved and union leave is available pursuant to Section B of this Article. Approval of leave under this section shall not be unreasonably denied.
- E. If the employee organization needs to substitute an employee or employees for those previously granted union leave, or substitute new dates, such requests will be submitted as soon as possible to the Institution Director of Human Resources for approval. Such substitutions may be approved if the substitution will not impair the services of the unit. Approval of substitutions or dates shall not be unreasonably denied.
- F. AFSMCE Maryland Convention

AFSCME Maryland Convention: In years when the AFSCME Maryland local convention takes place, each Institution will provide paid leave for actual time used by one (1)

bargaining unit employee to attend that convention on days which the attendee would otherwise be regularly scheduled to work their regular day. The total number of hours of paid leave time which the bargaining unit employee shall be provided for actual attendance at the AFSCME Maryland local convention shall not exceed eight (8) hours per day at the straight time rate of pay.

ARTICLE 19 - PERFORMANCE EVALUATIONS

Section 1. Performance Ratings

Employees shall receive a written performance review at the end of their probationary period and annually (normally March) thereafter. Due to the practice of extending the probationary period for all newly hired officers, that review will occur after two six months probationary periods or one year from the date of hire. The purposes of the performance evaluation are to establish a communication tool to ensure that employees are performing at acceptable levels and to provide a means by which to document performance and to establish a procedure for correcting performance problems should they occur. An employee shall be rated on the achievement of performance goals and objectives established by the supervisor in collaboration with the employee during the annual expectations meeting as well as employee performance related to an established set of performance factors, established by the Employer and discussed with the employee at the expectations meeting.

An employee shall receive one of the following ratings:

1. Above Standards
2. Meets Standards
3. Below Standards

Section 2. Expectations Meeting (Establish Goals and Objectives)

Annually (normally March of each year), an employee will meet with the Department Head or designee who will be responsible for conducting the employee's performance review for the upcoming year.

At the expectations meeting, the Department Head or designee and the employee will discuss the specific performance factors for which the employee will be held accountable and the supervisor, in collaboration with the employee will establish the employee's performance goals and objectives for the upcoming year. Performance factors and performance goals and objectives should be reasonably specific, attainable, measurable, and job-related. The expectations meeting will be documented in writing and signed by both the Department Head or designee and the employee.

Section 3. Probationary and Mid-Year Performance Evaluations

An expectations meeting, in accordance with Section 2 of this Article, will be held with each employee at the time of hire.

When the employee's probationary period ends, the Department Head or designee, with input if applicable from the lead worker or "supervisor" to whom the employee is assigned, will prepare a written performance evaluation of the employee. The end of probationary period performance

evaluation may include a self-assessment prepared by the employee, and shall address both an evaluation of the employee's performance and suggestions for ways that the employee and the Department Head or designee can work to address issues that have arisen.

The employee and the Department Head or designee will meet to discuss the end of probationary period performance evaluation, and will document in writing the results of the evaluation and will include in that documentation:

1. Any modifications made to the employee's job description;
2. Specific tasks and standards established by the Department Head or designee, in collaboration with the employee, that will assist the employee in accomplishing the employee's overall objectives for the next evaluation period;
3. Any training needs established.

In addition, although optional, supervisors are strongly encouraged to conduct mid-year performance evaluations, according to the aforementioned protocol, for all employees. Where an employee receives a year-end performance evaluation that is "Below Standards" or is exhibiting performance below "Meets Standards" during the first half of the evaluation period and the employee remains employed, the employer will conduct a mid-year performance evaluation and take other appropriate remedial measures until the employee's performance meets standards or the employee is terminated or demoted.

Section 4. Year End Performance Evaluation

The end-of-year evaluation shall be based on those performance factors and goals and objectives established at the expectations meeting and shall include the following:

1. An overall performance rating;
2. Modification of the employee's job description (if applicable);
3. Recommendations for training as appropriate

Where an employee did not have an opportunity to perform work described by a performance standard or goal and objective, that standard or goal and objective will not be considered in the year-end performance evaluation. All applicable performance factors and goals and objectives will be applied fairly and objectively. The University should take into account any equipment and resource problems, lack of training, frequency of work interruptions, and other matters outside of an employee's control when applying performance factors and goals and objectives. Time off on approved leave (sick, personal, annual, etc.) and authorized time for union representational purposes and other authorized activities will not be considered negatively in the application of performance factors and performance goals and objectives, provided that where an employee has been placed on notice regarding a sick leave usage problem, the employee's sick leave usage may be taken into account.

The performance evaluation requires a second signature. An individual superior to the individual preparing the performance evaluation and with knowledge of the department and the employee must review and approve the employee's end-of-year evaluation. This approval must be secured prior to the end-of-year evaluation meeting with the employee.

The Department Head or designee shall meet with the employee, discuss the performance evaluation, and give the employee a copy of the end-of-year evaluation. The employee must sign the evaluation and a copy will be placed in the employee's personnel file.

A statement of an employee's comments and/or objections to an evaluation may be attached and put in the employee's personnel file. Overall performance evaluations of Meets Standards or Above Standards may only be grieved through Step 2 of the grievance procedure; overall performance evaluations of Below Standards may be grieved through the entire grievance process.

The Employer will not apply forced distributions or any other limitation to employee ratings.

Section 5. Deficient Performance

In the event management concludes that an employee's job performance is at a level which will result in an evaluation of Below Standards, therefore jeopardizing his/her eligibility to receive a merit increase, management will notify the employee. The employee will be given a reasonable amount of time to correct the performance deficiencies before a year-end performance evaluation is conducted unless the deficient performance warranting the denial of the merit increase occurs late in the evaluation period. Failure to notify the employee pursuant to this provision shall not entitle the employee to a merit increase if the employee's performance does not warrant it.

Section 6. Evaluation of the Department Head or Designee

Employees may anonymously evaluate on an annual basis, in writing, on a form provided by the Employer, the Supervisor, the Department Head or designee.

Section 7. Performance Evaluation Pay Adjustment

Merit pay adjustments for employees with an annual rating of Meets Standards or Above Standards shall be governed by provisions of Article 9, Wages, of this MOU. Employees who receive ratings of Below Standards are not eligible for merit increases, and may be subject to other corrective measures.

ARTICLE 20 – DISCIPLINARY ACTIONS

Section 1. Progressive Discipline

The University subscribes to the tenets of progressive discipline, where appropriate. However, the University reserves the right to administer any discipline deemed appropriate by the University. No employee shall be disciplined without cause.

Section 2. Disciplinary Actions

Progressive disciplinary actions may include but are not limited to the following actions: counseling, verbal reprimand, written reprimand, forfeiture of leave, suspension without pay, involuntary demotion, and termination. The Employer is not required to utilize all of the above-listed actions when administering discipline.

Section 3. Annual, Random, and For Cause Drug Testing

Officers are subject to random drug screening pursuant to the General Order regarding Random Drug Testing.

Section 4. Right to Union Representation

Whenever the University is investigating conduct which might reasonably lead to disciplinary action against the employee, at the employee's option, the employee shall have the right to union representation at any meeting, hearings, or formal or informal discussions with the employee pertaining to the investigation or imposition of discipline relating to such conduct. This provision does not preclude an employee from discussing any matter with the University without the presence of a union representative.

Section 5. Disciplinary Actions Records

After three (3) years without any further disciplinary action, the record of any prior disciplinary action, up to and including suspensions of five (5) days shall be expunged at the employee's request. After twelve (12) months, letters of reprimand and counseling memoranda shall not be used in assessing discipline if there has been no further disciplinary action.

ARTICLE 21 - GRIEVANCE PROCEDURE

GENERAL

In the event of an alleged violation or disagreement over any of the provisions of this MOU, a bargaining unit employee represented by AFSCME, MD, which shall be the exclusive employee organization to represent the employees shall have the right to file a grievance in accordance with Section 13-201 *et seq.*, of the Annotated Code of Maryland Education Article, a copy of which is set forth below for convenient reference. It is the intention of the parties that this grievance procedure be read in harmony with the Public Safety Article Title 3 (LEOBR) *et seq.* of the Annotated Code of Maryland. The parties understand and agree that in the event any provision of this grievance procedure conflicts with any provision of the Public Safety Article Title 3 (LEOBR), the applicable Code provision shall prevail. Grievances can be filed electronically or in print form.

Title 13, University of Maryland – General Provisions: Subtitle 2. University of Maryland Classified Employee Grievance Procedures

§ 13-201. Definitions.

- (a) *In general.*- In this subtitle, the following words have the meanings indicated.
- (b) *Day.*- "Day" means, except as otherwise provided, a working day, Monday through Friday, regardless of work schedule, weekend work, or midweek days off.
- (c) *Grievance.*- "Grievance" means any cause of complaint arising between a classified employee or associate staff employee and his employer on a matter concerning discipline, alleged discrimination, promotion, assignment, or interpretation or application of University rules or departmental procedures over which the University management has control. However, if the complaint pertains to the general level of wages, wage patterns, fringe benefits, or to other broad areas of financial management and staffing, it is not a grievable issue.

§ 13-202. (Omitted)

§ 13-203. Steps in grievance procedure.

- (a) *Availability of procedure; number of steps.* - If, following informal discussion with the supervisor, a dispute remains unresolved, the grievance procedure is available. There are three steps in the grievance procedure.
- (b) (1) **Step One.** Step one is the initiation of a complaint. Grievances shall be initiated within 30 calendar days of the action involved, or within 30 calendar days of the employee having reasonable knowledge of the act, unless these time limits are further delimited as stated in §13-205. Appeals within the grievance procedure shall be timed from receipt of the written opinion of management or from when such opinion is due, whichever comes first. An aggrieved employee or the employee's designated representative may present the grievance in writing to the department head or chairman or designee for formal consideration. If the grievance is presented to the department head or chairman or designee, within 5 days after the receipt of the written grievance a conference shall be held with the aggrieved or the employee's designated representative and within 5 days after the conclusion of the conference a decision shall be rendered in writing to the aggrieved or the employee's designated representative. If the aggrieved employee is not satisfied with the decision rendered at this step, the employee or the employee's designated representative may appeal in writing to step two within 5 days.
- (2) Both employee and department head or chairman or designee shall continue to review the matter, either privately or with the help of others in the employee's immediate work unit who are directly involved in the grievance. Each department head or chairman or designee shall use judgment in keeping superiors informed of the status of each grievance and, if necessary, request guidance, advisory committees, or other assistance consistent with departmental policy. If either the employee or the department head or chairman or designee feels the need for aid in arriving at a solution, the campus personnel department may be requested to provide resource staff or any other available resource personnel may be invited to participate in further discussions. The addition of such participants does not relieve the department head or chairman or designee and the employee from responsibility for resolving the problem.
- (c) **Step Two.** The appeal shall be submitted to the president of the constituent Institution or the president's designated representative within 5 days after the receipt of the written decision at step one. The president or the president's designated representative shall hold a conference with the aggrieved or the employee's designated representative within 10 days of receipt of the written grievance appeal and render a written decision within 15 days after the conclusion of the conference.
- (d) **Step Three.** In the case of any still unresolved grievance between an employee and the constituent Institution, the aggrieved employee, after exhausting all available procedures provided by the constituent Institution, may submit the grievance to either arbitration or to the Chancellor who may delegate this responsibility to the Office of Administrative Hearings in accordance with Title 10, Subtitle 2 of the State Government Article. In either case, the appeal shall be submitted within 10 days after the receipt of any written decision pertaining to that grievance and issued by the constituent Institution. If the grievance is arbitrated, the Parties shall select an arbitrator by mutual agreement. If they are unable to reach a mutual agreement,

an arbitrator shall be supplied by the American Arbitration Association by their procedures. Any fees resulting from arbitration are assessed by the arbitrator equally between the two parties. The arbitration award is advisory to the Chancellor or administrative law judge, as appropriate, and an additional appeal or hearing may not be considered. The Chancellor or administrative law judge, as appropriate, shall make the final decision that is binding on all parties.

(e) **Authority of Chancellor or administrative law judge.**- The Chancellor or administrative law judge, as appropriate, shall have the power to award back pay in any grievance and the president of the constituent Institution shall enforce such order. In any reclassification case in which the Chancellor or administrative law judge, as appropriate, or his designated representative, determines that an employee has been misclassified, the Chancellor or administrative law judge, as appropriate, may, in his discretion, award back pay to the employee for a period not to exceed one (1) year prior to the initial filing of the grievance.

(f) **Coercion, discrimination, interference, reprisal and restraint prohibited.-**

(1) During any stage of a complaint, grievance, or other administrative or legal action that concerns State employment by a full-time or part-time employee of an Institution, or by a temporary or contractual employee of an Institution, the employee may not be subjected to coercion, discrimination, interference, reprisal, or restraint by or initiated on behalf of an Institution solely as a result of that employee's pursuit of a grievance, complaint, or other administrative or legal action that concerns State employment.

(2) An employee of an Institution may not intentionally take or assist in taking an act of coercion, discrimination, interference, reprisal, or restraint against another employee solely as a result of that employee's pursuit of a grievance, complaint, or other administrative or legal action that concerns State employment.

(3) An employee who violates the provisions of this subsection is subject to disciplinary action, including termination of employment.

§ 13-204. Decisions.

A decision may not be made at any step of the grievance procedure that conflicts with or modifies a policy approved by the Board of Regents of the University or with any applicable statute or with any administrative regulation issued under appropriate statutory authority or that otherwise delimits the lawfully delegated authority of University officials unless prior approval has been obtained from the responsible official.

§ 13-205. Suspensions pending removal; involuntary demotions; rejection on probation; disciplinary suspension.

(a) **Suspensions pending removal.**- Within five (5) days from the date on which the employee receives the charges for removal as evidenced by the return receipt or other evidence of delivery of the charges to the employee an employee who is suspended under charges for removal may request an opportunity to be heard in his own defense. Within thirty (30) days if possible after receipt, the president or the president's designated representative shall

investigate the charges and give the employee an opportunity to be heard. Testimony shall be taken under oath and both the department head or chairman or designee and the employee have the right of representation by counsel and the right to present witnesses and give evidence. Within fifteen (15) days following the conclusion of the conference, the written decision shall be rendered to the employee. These employees will be contacted by the Chief or his designated Supervisor and told when to report for random testing. Personnel on pre-approved leave will be excused from testing. All employees selected for testing will be held as confidential.

Employees who are on duty at the time of notification will be allowed to leave their assigned area for the purpose of submitting to the drug test. During the time required for the testing process, personnel will not be subject to calls or assignments, and will be considered "out of service."

Off duty employees who are contacted and directed to report for a drug test will receive compensation in accordance with established Departmental procedures.
